How to wear a mask

1. Wear mask so nasal clip is over the nose. External pleats should face downwards

2. Open mask pleats so it covers mouth and nose

3. Tie upper strings first. Then lower strings. There should be no gap between face and mask

4. Do not touch front of the mask

5. Remove by first untying lower string and then upper string.

6. Replace mask after 8 hours or when damp/humid

7. Dispose the mask in the recommended manner

8. Clean hands after removal of mask

9. Do not reuse single use mask
